Washington, D. C.

April 19, 1943

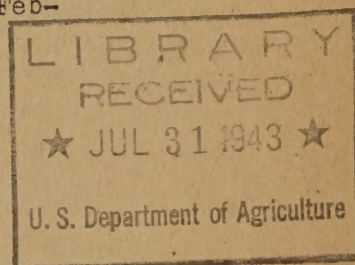

TO STATE EXTENSION AGRICULTURAL ENGINEERS:

Following are listed U.S.D.A. War Board Memoranda relating to agricultural engineering work, issued from January 26 to April 5, 1943, in numbers ranging from 189 to 289. This list is a continuation of the list mailed to you with my letter of February 15, 1943.

Very truly yours,

A. T. Holman
Extension Agricultural Engineer

Supplement No. 1

List of U.S.D.A. War Board Memoranda concerning
Farm Machinery and Equipment, Building Materials, and Related Activities

Memo

No.

-
- | | | |
|-----|---------------|---|
| 189 | Jan. 28, 1943 | Distribution and sale of farm machinery and equipment (including digest of directions on distribution and sale) |
| 190 | Jan. 27, 1943 | Power - corn sheller |
| 191 | Jan. 27, 1943 | War units conversion table |
| 192 | Jan. 27, 1943 | One-way disk plows |
| 195 | Jan. 28, 1943 | List of available newspaper mats on subjects including machinery repair and labor. |

196 Feb. 1, 1943 Questions and answers on farm machinery rationing (and 14-page attachment giving 61 questions and answers).

197 Jan. 30, 1943 Application for the purchase of new farm trucks.

198 Jan. 30, 1943 Purchase of farm equipment for nonfarm use.

199 Feb. 2, 1943 Welding rod - delegation of authority for issuing rating certificate using PD-lx forms.

200 Distribution instructions to manufacturers on spike-tooth and spring-tooth harrows.

203 Feb. 5, 1943 Farm machinery and repairs.

204 Feb. 5, 1943 Time required to process PD-200 through War Board channels.

205 Feb. 5, 1943 Maximum price for used farm machines.

206 Feb. 5, 1943 Distribution of beet drills and transplanters (by States).

208 Feb. 5, 1943 Chemical fertilizers.

208 Feb. 10, 1943 War Board memoranda series.

211 Feb. 8, 1943 Employment of Japanese evacuees on farms.

212 Feb. 8, 1943 Distribution instructions furnished to manufacturers on 2-row corn and cotton planters - horse- and tractor-drawn.

213 Feb. 9, 1943 Advanced draft of order permitting adjustment in tags.

214 Distribution instructions furnished to manufacturers on potato planter.

Feb. 9, 1943 Concerning increased lumber production in New England, New York, and Pennsylvania.

215 Feb. 10, 1943 Provisions established by W.P.B. to provide lumber for essential farm needs.

221 Feb. 15, 1943 Distribution of L-26 machinery.

222 Feb. 16, 1943 The rationing correlation chart.

224 Feb. 17, 1943 Change in quotas and distribution of power sprayers.

Feb. 18, 1943 Distribution instructions on corn graders.

225 Feb. 19, 1943 Distribution instructions on lime spreaders.

226 Feb. 19, 1943 Milk cans.

227 Feb. 20, 1943 Concerning violation of Order L-41.

228 Feb. 22, 1943 Distribution of tractor moldboard plows.

229 Feb. 20, 1943 Amendment to Food Production Order 3 (concerning planters and cultivators).

230 Feb. 22, 1943 Concerning distribution of tractor-mounted and tractor-drawn equipment.

Feb. 25, 1943 Distribution instructions on tractor disk plows.

231 Feb. 25, 1943 Distribution instructions on farm wagons.

Feb. 25, 1943 Distribution instructions on listers and middlebusters.

232 Feb. 24, 1943 Nonhighway gasoline ration.

(54X) Mar. 1, 1943 Distribution of rotary hoes.

235 Mar. 1, 1943 Form PD-200B (project amendment).

237 Mar. 4, 1943 Distribution of grain drills.

238 Mar. 4, 1943 Distribution of pulverizers and packers.

239 Mar. 5, 1943 Summary on processing PD-200 application under L-41.

240 Mar. 2, 1943 War letter replaced by War Board summary.

241 Mar. 6, 1943 Report on need for farm machinery and equipment in 1944.

242 Mar. 8, 1943 Decentralized processing of "On Farm" PD-200 and PD-1A applications.

243 Mar. 4, 1943 Distribution of items affected by priorities.

248 Mar. 10, 1943 Distribution of corn planters, corn and cotton planters, tractor-drawn and tractor-mounted.

250 Mar. 11, 1943, Instruction on food production loans.

	Mar. 11, 1943	Distribution of potato sorters and graders.
251	Mar. 12, 1943	Concerning titles of machines.
254	Mar. 13, 1943	Amendments to supplemental orders 1 and 3 concerning various types of pumps and water systems.
255	Mar. 13, 1943	Concerning various machines including sprayers and dusters.
257	Mar. 14, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of tractor-mounted cultivators - within States.
258	Not dated	Distribution instructions furnished to manufacturers on potato diggers.
259	Mar. 19, 1943	Conservation Order L-41 as amended Feb. 19, 1943.
(M.R.63X)	Mar. 19, 1943	Distribution of farm elevators.
260	Mar. 18, 1943	Newspaper mat, farming on the level - SCS.
261	Mar. 18, 1943	Distribution of soil conservation display, "Victory Pattern"
262	Mar. 19, 1943	Necessity for State War Boards to keep informed on the delivery of rationed farm machinery.
263	Mar. 19, 1943	Additional instruction on food distribution orders Nos. 26 and 27.
(S.D.63X)	Mar. 19, 1943	Distribution instructions furnished to manufacturers on farm elevators (part II quota, page 12).
(S.D.64X)	Mar. 20, 1943	Distribution instructions furnished to manufacturers on beet cultivators.
264	Mar. 22, 1943	Reports on MR forms.
265	Mar. 20, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of power dusters within their respective States (L-170 item 121).
266	Mar. 20, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of traction dusters within their respective States (L-170 item 122).
267	Mar. 22, 1943	Reporting alleged violations of food-production orders - War Board responsibility.
269	Not dated	Authority for State War Boards to furnish manufacturers with directives covering distribution of engines....
270	Not dated	Authority for State War Boards to furnish manufacturers with directives covering mowers - ground drive.
271	Not dated	Authority for State War Boards to furnish manufacturers with directives covering mowers - tractor-mounted.
(M.R.71X)	Not dated	Distribution instructions furnished to manufacturers on weeders.
(68X)	Machinery Rationing	Authority to State War Boards to furnish manufacturers with directives covering distribution of field cultivators.
273	Mar. 24, 1943	Reports of crops and livestock financed by RACC loans and advances.
274	Not dated	Authority for State War Boards to furnish manufacturers with directives covering the distribution of hay loaders.
No.72X	Not dated	Authority for State War Boards to furnish manufacturers with directives covering the distribution of sweep rakes.
275	Mar. 25, 1943	Information to aid farm slaughterers in complying with regulations covering slaughter and sale of meat.(Supplement to W. B. Memo 243, issued Mar. 6, 1943.)
276	Mar. 26, 1943	Added responsibilities of State War Boards in the distribution of rationed farm machinery and equipment.
277	Mar. 27, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of side-delivery rakes and tedders.

278	Mar. 26, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of dump rakes.
S.D.	Mar. 29, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of stackers.
281	Mar. 29, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of pick-up hay balers.
282	Mar. 30, 1943	War Board handling of applications for new trucks (and memorandum, Mar. 25, 1943, to all local allocation officers concerning: <u>Applications for Farm Vehicles</u> by Division of Motor Transport).
283	Mar. 31, 1943	Conversion of steel wheels on tractors to rubber tires (and enclosure: Tire Guide - Page replacement).
285	Mar. 31, 1943	Temporary motor fuel rations....
288	Apr. 3, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of combines, 6 feet and under.
79X	Apr. 3, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of stacker loaders.
289	Apr. 5, 1943	RACC loan Programs.

TO STATE EXTENSION AGRICULTURAL ENGINEERS:

The following list of U.S.D.A. War Board Memoranda relates to agricultural engineering work. The numbers of the memoranda range from 290 to 320, issued from April 5 to April 24, 1943.

Very truly yours,

A. T. Holman

A. T. Holman
Extension Agricultural Engineer

Supplement No. 2

List of U.S.D.A. War Board Memoranda concerning
Farm Machinery and Equipment, Building Materials,
and Related Activities

Memo No.	Date	Title or Subject
290	Apr. 5, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of <u>grain binders</u> .
	Apr. 5, 1943	Authority for State War Boards to furnish manufacturers with directives covering the distribution of combines, <u>6 to 10 feet</u> .
291	Apr. 5, 1943	Amendments to supplementary utilities order U-1-cconcerning <u>milk sterilizer</u> , <u>animal unit equivalents</u> , and <u>electrical conductors</u> .
293	Apr. 5, 1943	Information on the <u>repair of crawler type tractors</u> for farmers.
294	Apr. 6, 1943	Wartime farm <u>production capacity</u> studies...(B.A.E. and State colleges).

- 296 Apr. 7, 1943 Conservation Order L-41 Application Form PD-200-C (simplified form for use on farm construction of \$10,000 and less).
- 297 Apr. 7, 1943 Rationing of pressure cookers.
- 298 Apr. 7, 1943 Authority for State War Boards to furnish manufacturers with directives covering the distribution of ensilage cutters.
- 301 Apr. 9, 1943Amendment covering State War Board Authority for exchange of tags on new farm machinery within States.
- 302 Apr. 10, 1943 Appeals from manufacturers for change of quotas between States on rationed farm machinery and equipment.
- 303 Apr. 12, 1943 Authority for State War Boards to furnish manufacturers with directives covering the distribution of stationary hay balers .. engine or belt power.
- 304 Apr. 12, 1943 Release of special designed and "obsolete" farm machinery and equipment.....(includes the number and kind of machines available, and type of "tag" to be used).
- S.D. Apr. 14, 1943 Authority for State War Boards to furnish manufacturers with directives covering the distribution of stationary pea and bean threshers (Machinery Rationing 86x) (L-170 item 160).
- 307 Apr. 15, 1943 Announcement and amendments to food production order concerning (1) rationing of pressure cookers, (2) removal of rationing of fencing, (3) removal of rationing of peanut pickers, (4) placing milking machines on a "no-quota" basis, (5) grain and forage blowers and stationary elevators placed on a "no-quota" basis.
- 308 Apr. 15, 1943 1943 scrap-iron collection program (and War Board enclosure announcing program in greater detail).
- 309 Apr. 15, 1943 Procedure for certification of pressure cookers in dealers' hands.
- 310 Apr. 16, 1943 Release of distribution directives by Washington. (status of rationing program as of Apr. 14, 1943, and list of machines to have directives issued after April 14).

- 311 Apr. 16, 1943 Utilization of military lands for agricultural purposes.
- S.D. Apr. 16, 1943 Authority for State War Boards to furnish manu-
(Machinery facturers with directives covering the distri-
Rationing 89x) bution of pea and bean harvesters.
- S.D. Apr. 17, 1943 Authority for State War Boards to furnish manu-
(Machinery facturers with directives covering the distri-
Rationing 89xx) bution of beet lifters. (L-170 item 141).
- 315 Apr. 17, 1943 Farmstead Wiring materials (concerning Preferences
Rating Order P-144, Federal Register, Apr. 13,
1943, assigning AA-3 rating to farmstead wiring
materials).
- S.D. Apr. 19, 1943 Authority for State War Boards to furnish manu-
(Machinery facturers with directives covering the distri-
Rationing 89xxx) bution of power feed cutters (L 170 item 163).
- 316 Apr. 20, 1943 Authority for State War Boards to furnish manu-
facturers with directives covering the distri-
bution of stationary threshers (grain, rice,
and alfalfa - L 170 items 158 and 159).
- 317 Apr. 22, 1943 Rubber-mounted tractors and rubber-mounted allied
equipment for 1943 (including makes, types, and
number of tractors to be rubber mounted).
- 318 Apr. 28, 1943 Rationing of Steel Products when the amount needed
exceeds the amount which can be obtained without
priority rating under order CMP regulation 4.
- 320 Apr. 23, 1943 War Board Procedure...with RACC loan program.

★ JUL 31 1943 ★

U. S. Department of Agriculture

Memo No.	Date	Title or subject
(S.D. Supplies 33x)	Apr. 24, 1943	Coke needed for curing the 1943 crop of <u>burley tobacco</u> .
321	Apr. 27, 1943	Procedure for obtaining <u>pressure cookers</u> for <u>educational</u> and <u>research work</u> , with State quotas.
324	Apr. 30, 1943	Deletions from distribution directives covering power <u>sprayers</u> .
325	Apr. 30, 1943	Farm war <u>service certificates</u> .
326	Apr. 30, 1943	Industry <u>transportation plans</u> for movement of agricultural products.
(Farm Vehicle Activity Memo No. 1 Apr. 10, 1943		Dairy industry transportation committees, with list of district (or State) managers.
(Farm Vehicle Activity Memo No. 2) Apr. 10, 1943		Concerns <u>industrial transportation</u> of <u>dairy products</u> from farms to processing plants.

327 Apr. 30, 1943 Agricultural items affected by priorities actions. Revised April 25, 1943. Including list of items. (Machinery, equipment, and supplies).

328 May 4, 1943 1943 program for dehydrated vegetables.

(Food Production Order 3,
as Amended)
May 6, 1943 Farm machinery and equipment. An amended order of 37 pages concerning new farm machinery and equipment and giving specific information on organization, procedure, personnel, duties, and regulations covering various containers, irrigation equipment, sprayers and dusters, cultivators and weeder, elevators and blowers, balers, water systems, dairy equipment, pumps and windmills, pipe, well casing wire, pressure cookers, farm scales, and a classified list of farm machinery with corresponding W.P.B. numbers, and including references to Federal Register.

330 May 6, 1943 Revision of food production order 3 concerning farm machinery rationing with changes in quotas and distribution.

331 May 6, 1943 Cancellation of county quotas at the option of the State War Board.

332 May 7, 1943 Obtaining used glass jars from Army camps for use in home canning.

S D (M.R. 97x) May 7, 1943 Authority for State War Boards to furnish manufacturers with directives covering the distribution of husker-shredders (L 170 item 168).

S D (M.R. 97xx) May 7, 1943 Authority for State War Boards to furnish manufacturers with directives covering the distribution of corn pickers. (L-170 items 133, 134, 135, and 136).

S D (M.R. 98x) May 7, 1943 Authority for State War Boards to furnish manufacturers with directives covering the distribution of field ensilage harvesters, row type (L 170 item 137)

336 (M.R. 98) May 7, 1943 Authority for State War Boards to furnish manufacturers with directives covering the distribution of corn binders (L 170 item 132).

338 May 11, 1943 Application for electric wiring, plumbing, and heating equipment and domestic cook stoves; silo construction, and order L-41 as amended April 20, 1943.

339 May 13, 1943 Amendment to O.P.A. Ration Order 16 (supplement to W. B. Memos 243 and 275) concerning slaughter of animals on farms for home use.

340 May 13, 1943 FPO - 11 Pyrethrum insecticides.

341 May 13, 1943 FDO - 52 Limitations of corn stocks.

342	May 13, 1943	Revised procedure for assisting farmers to obtain crawler-type tractors.
343	May 14, 1943	Wood products as essential war crops. Labor conversion factors for various units of production - logs, ties, posts, pulpwood, and fuel wood.
S D	May 14, 1943 (Transportation 27x)	Gasoline preference for nonhighway farm use.
344	May 15, 1943	Summarization of farm manpower inventory data - page 3 of farm plan.
345	May 15, 1943 (War Food Memo)	RACC Loan Program - Selection of "loan clerks."
	May 10, 1943	Stabilization of broiler production.
347	May 17, 1943	Feed conservation program.
348	May 19, 1943	Summary of War Board activities on processing P D 200 applications under Conservation Order L-41.
349	May 19, 1943	Custom processing (Amendment to OPA Ration Order 16).
351	May 20, 1943	Need for information program on <u>pressure cookers</u> .
353	May 21, 1943	Special farm labor reports (Outline of information requested from State War Board).
S D	(Tr. 27 xx) May 22, 1943	Gasoline preference for nonhighway farm use.
355	May 26, 1943	<u>"Feed Consumption by Livestock 1910-1941."</u> Reference to booklet on this subject.
357	May 28, 1943	State and county U.S.D.A. War Board procedures for <u>requisitioning idle farm machinery</u> . Includes definitions, forms, and instructions.
